

FIRST RUNG

First Rung provide innovative and high quality learning and employment opportunities to support 14-16 year old pupils achieve success and fulfil their potential. They offer a range of programmes specifically tailored to each pupil's needs, ensuring each course is best matched to individual pupil's goals. Vulnerable pupils and school refusers are well catered for by First Rung.

The courses have just the right balance of teaching, learning, and practical work experience to bridge the gap between where pupils are right now and where they want to be.

Courses on offer include Pre Apprenticeships in Customer Service, Business Admin and Childcare. English, Maths and ICT Level 1 qualifications are also taught alongside vocational courses.

Referrals are accepted from Local Authorities, schools and parents.
