We are aware that school management Committee provide a voluntary service and cannot be paid for their role as MC members. However, they can receive out of pocket expenses to cover travel costs or child care costs incurred as a result of fulfilling their role as MC members.

We ensure payments will only be paid to enable the MC member to perform his/her role. Payments will not be paid to cover loss of earnings for attending meetings. All travel expenses will be paid at a rate not exceeding the current HM Revenue and Customs approved mileage rates.

We ensure that all other expenses will be paid on provision of a receipt and be limited to the amount shown on the receipt.

We have agreed that the management Committee will be able to claim for the following allowances if they are incurred in carrying out their duties by submitting a claim form to the School Business Manager on a termly basis:

- Child care / babysitting expenses
- Care arrangements for an elderly or dependent relative
- Support for management Committee with special needs
- Support for management Committee whose first language is not English
- Travel to meetings / governor training
- Travel and subsistence costs to national meeting / training events
- Telephone charges
- Postage
- Photocopying
- Stationery

We will appoint an independent auditor to undertake an annual audit of all claims. All claims will be monitored by the School Business Manager with frequent or excessive claims being referred to the Chair of Management Committee who will discuss the issue with the claimant.

We believe that paying Management Committee (MC) members allowances is important in ensuring equality of opportunity for any member of the local community who wishes to serve as a school MC member.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
